PROFILE

Hi, I'm Arafat Rahman, a newly trained WordPress Themes Customization Specialist. With a passion for web design and a keen eye for detail, I have honed my skills in customizing WordPress themes to create unique, visually appealing, and user-friendly websites. My training has equipped me with the technical know-how and creative insights necessary to transform any WordPress theme into a site that perfectly aligns with your vision and brand identity.

EDUCATION

Nabiganj Govt College, Nabiganj, Sylhet

HIGHER SCHOOL CERTIFICATE (2023 - 2024)

My Higher School Certificate (HSC) in Business Management

Gov't Madan Mohan Collage

Bachelor Of Business Studies (2024 - Now)

The Bachelor of Business Studies (BBS) in Honors is an advanced undergraduate program focusing on in-depth business and management studies, preparing students for leadership roles or further academic pursuits.

WORK EXPERIENCE

FREELANCE CRAFTERS

2024 - Now

A Wordpress web designer creates visually appealing and functional websites using the WordPress CMS. They customize themes, utilize plugins, and ensure sites are user-friendly, responsive, and optimized for SEO.
